An Overview

“Inner stillness is the greatest source of creative power in the universe.”

Anatole Petrovich Kononewsky

This musical was created by Anatole, inspired by a simple, classical story told by his spiritual teacher. It's powerful message is about never giving up and giving your best in whatever you are doing, especially when pursuing your dreams. It is also a heartwarming and uplifting love story.

A production synopsis has been developed incorporating the guitar compositions; songs and instrumental pieces created by Anatole at different times of his life over the last 40 years.

It also incorporates the remarkable inner wonders of metaphysics, based on ancient esoteric teachings, science and wisdom, using reincarnation as a vehicle for the main characters to move through time and space as this universal beautiful story unfolds.

The aim is to create an inspiring, uplifting and entertaining production!

A glowing human silhouette in a meditative pose, sitting cross-legged with hands on knees. The figure is centered and surrounded by a bright, circular glow that fades into a dark blue background. The glow has a radial pattern, suggesting light rays or energy emanating from the figure. The overall color palette is dominated by blues and greens, with the central glow being a mix of white, yellow, and orange.

“The true value of your life is measured by the amount of love you’ve spent in creating it!”

Anatole Petrovich Kononewsky
